Do you enjoy the Freedom Festival and the Blueberry Festival?

Do you hope that they will happen Year after Year?

Well, they can only happen with the help of everyone. We need more people stepping up in our local communities to help in planning these events.
Signup sheets will be at the businesses in Mossyrock and will be available for you to Sign Up and Help Plan these events.

No Threat …. Just Fact…. If we don't receive volunteers then the festivals will no longer be held. SO PLEASE HELP SAVE OUR FESTIVALS.
